Proceedings of the Government of His Highness the Maharaja of Mysore

READ—

Government Notification No R 1678—L R 105 06 1 dated the 7th August 1906 prescribing a set of rules to regulate admissions to and promotions in the various grades of the ministerial establishments of the Revenue Department in Mysore

No R 1678—L R 105 06 1, dated 7th August 1906

With a view to improve the efficiency of the various grades of the ministerial establishments of the Revenue Department in Mysore the Government of His Highness the Maharaja are pleased to prescribe the following rules in supersession of all rules heretofore in force to regulate admissions to and promotions in the said Department with effect from the 1st October 1906 —

1 The Revenue Department for the purposes of these Rules shall comprise the following offices —

(1) The office of the Revenue Commissioner and *ex officio* Director of Statistics

(2) The office of the Survey and Settlement Commissioner and all offices subordinate to him in his Department

(3) The office of the Registrar of Co operative Societies

(4) The offices of Deputy and Assistant Commissioners in all their Branches

(5) The offices of Amildars and Deputy Amildars in all their Branches

2 These Rules shall in no wise affect the promotion of persons who held permanent appointments before the Rules came into force provided their promotion was not already barred by any rules previously in force

Clerks Deft and Mutchi and Gollar

3 No person shall be eligible for appointment to a post carrying a pay of less than Rs 15 per mensem but classed as superior in the Mysore Service Regulations or to any of the marginally specified posts* classed as inferior therein unless the officer appointing him is satisfied as to his ability to read and write Kanarese with facility Provided that as between a candidate who has passed the Mysore Lower Secondary or other higher examination and an unpassed candidate the former shall have the preference

4 No person shall be eligible for appointment to a post classified as superior in the Service Regulations and carrying a pay of Rs 15 and upwards but below Rs 25 unless he produces a certificate of having passed at least the Mysore Lower Secondary Examination in Kanarese or English or some other examination accepted by the Government as equivalent to it for the purposes of these Rules and unless the officer appointing him is satisfied as to his ability to read and write Kanarese with facility

Exception —The examination qualification prescribed in this rule shall not apply to the posts of Shroffs and Assistant Shroffs

5 No person shall be eligible for appointment to a post carrying Rs 25 and upwards unless he has passed at least the Matriculation Examination of an Indian University

6 Any Deputy Commissioner who owing to the paucity of duly qualified candidates for an appointment of the kind referred to in Rule 4 or 5 in his own office or in an office subordinate to him deems it necessary to appoint or to permit the appointment of another candidate not so qualified shall obtain the sanction of the Revenue Commissioner for such appointment Such sanction shall not be given unless the existence of the vacancy is notified in three successive issues of Part II of the *Mysore Gazette* and no applications from qualified candidates are forthcoming in response to such notification within a month of the last publication In the interim it shall be competent to the Deputy Commissioner to fill up the vacancy temporarily with such person as he may select

7 A fair proportion of the vacancies in the offices of Deputy and Assistant Commissioners shall be filled by the selection of Taluk Gumastas of approved qualifications conduct and efficiency

[*Note* —This will very materially increase the working power of controlling offices because of the practical experience which such clerks will bring to the discharge of their duties Moreover passed men will not be slow to take up appointments in Taluk Offices if sufficient inducement in the shape of prospects of a regular flow of promotion is offered to them One of the causes of the inefficiency of these establishments is that service in the taluk ordinarily leads to nothing better]
